

11-22-09

Hi Senior Mixed Captains,

I realize your teams have not completed playing yet, but I wanted you to have the [Senior Mixed Sectional Information](#).

Please make sure you enter your scores immediately after you've played your matches, and remember that all matches must be played and scores entered by November 30.

Please read through the information completely and let me know if you have any questions.

Thank you,

Heidi
