

## ORANGE COUNTY SINGLES FLEX LEAGUE

### HOW OC FLEX LEAGUE WORKS

Players sign up as individuals into the system. The first thing is to register into the system as a player. Here is the link to that: [INITIAL PLAYER REGISTRATION](#)

Once registered, players use that login and password to enter the system and register for an individual FLEX League Season. Here is the link to login so you can [REGISTER INTO A SEASON](#)

We now offer the following FLEX Leagues in Orange County:

- Adult (18+)
  - Men's & Women's Singles
  - Men's & Women's Doubles
  - Mixed Doubles
- Senior (50+)
  - Men's & Women's Singles
  - Men's & Women's Doubles
  - Mixed Doubles
- Super Seniors (60+)
  - Men's & Women's Doubles
  - Mixed Doubles

Once we have 4 or 5 players signed up in a flight, a schedule will be generated where they play each other twice for 6 or 8 matches, and the players will all receive an automatic e-mail letting them know the schedule is out. They will also at this time have access to the contact information for everyone in their flight, so they can start setting up their first match.

Players can check this link:

[Flex Players... Click Here to see how many players have signed up in each division](#)

To see how many players have signed up in each divisions which will give them an idea of how soon they might be starting.

At the more popular levels, 3.5 and 4.0, we try to set up the flights geographically.
