Looking for a USTA team to play on this Summer?

We have individual sign ups available for Seniors, (50+) and Tri-Level Teams (18+)
Below are the team numbers that individuals may sign up on if they are looking for a team. Once we find a team for you we can simply move you onto that team.

Once you've signed up, send an e-mail to Heidi at heidi.stryker3@gmail.com and let her know the following information so you can be placed on a team that best suits your needs. The team numbers below are listed according to levels, so simply sign up at the level of the team that matches your rating. Preference is given to players with the rating of the team. If you want to play at a higher level, you may indicate that in the e-mail you send, but you need to sign up at the level of your rating. Self-rated players are fine to sign up on these teams.

- Where do you live?
- Women - Would you prefer a Friday Morning Team or a Weekend Team or both?
- Anything else you want to convey about what it is you are looking for in a team.

You will be contacted as soon as a team is available for you.
