

Refunds

Teams who pull out of the league once the deadline has passed for them to turn in their team information sheets will not be able to receive refunds for any of their registered players, nor may they be moved to another team. The exception to this would be if they communicate the possibility that they may not have a team, before the due-date for the Team Information Sheet.

Once the league starts, Individual Refunds must be requested by either the captain or the player by the dates below.

Please note that the last date to add players is after the refund deadline. Players added between the add and delete deadlines will not be able to receive a refund, (or be moved to a different division,) no matter what the reason. Captains, make SURE your players know these refund deadline dates.

Refunds are typically processed after the season is over. A check will be sent to the player unless other arrangements are made. Refund checks do not include the \$3 portion of registration charged by Tennislink which is not refundable.

Last Day to Request a Refund:

Mixed Doubles: January 31
Adult League: April 30
Seniors: June 30
Tri-Level: June 30
SCTA Doubles: September 30
Senior Mixed Doubles: September 30
