

YOUR SCHEDULES

YOUR SCHEDULES WILL BE ONLINE A WEEK BEFORE YOUR FIRST MATCH. MAKE SURE TO TELL YOUR PARENTS WHERE THEY CAN VIEW THEM. WWW.USTA.COM PLEASE READ THROUGH THE NEW SCHEDULING PROCEDURES BELOW.

SOMETHING DIFFERENT FOR SCHEDULING

- All matches will start out saying 8:00 pm
- I will change the times according to the team information sheets you submitted.
- If you have multiple teams, you will receive a spread sheet and you will need to designate which times you want your home matches on that.

YOU ALL NEED TO CHECK YOUR OWN SCHEDULES FOR ERRORS

- Any problems need to be reported within the first week of play.
 - Check to make sure you have no matches schedules on dates your facility is unavailable.
 - Check to make sure you have the correct number of home and away matches.
 - Verify any changes I make in the system

COACHES.... YOU MUST CONTACT YOUR OPPONENT EACH WEEK AT LEAST THREE DAYS BEFORE YOUR MATCH AND CONFIRM THE TIME/DAY WITH THEM.

You need to have at least 4 players to have a legal match.

THERE ARE NO FULL-TEAM DEFAULTS. IF YOU CAN'T BRING A FULL TEAM, YOU MUST RESCHEDULE WITH YOUR OPPONENT. (You may have to default lines in the reschedule.) If you don't confirm your match with your opponent, and one team does not show, you will need to reschedule and neither team will be penalized.

Here is an example of what you will be sent if you have multiple teams: These times have already been changed. When you receive it all the times will say 8:00 pm. In the example below, they have three teams, and three times slots (12:00 & 1:00) when their teams are home. They can only have one team in each time slot. So anywhere there is an H for these teams, they would need to tell me what time they want that match. This gives you the flexibility to set up your own schedule, and play your teams where you want. You simply mark it up and fax it back to me, or type it in an e-mail. Don't worry about any of the 'A' (Away) or 'B' (Bye) matches.
