

Orange County SUPER SENIOR USTA League

Season: mid-April ~ mid-November (7 - 9 Matches typically)

Must turn at least 60 anytime during 2010 ~ Men's and Women's Teams

3 Doubles Available Levels: 6.0, 7.0, 8.0, 9.0 (teams are combo-rated. If you add the ratings of the players ratings playing together, they may not exceed that of the team or be more than .5 apart. i.e. on an 8.0 team you could have two 4.0s together or a 3.5 with a 4.5, but not a 3.0 with a 5.0)

Teams will play a set schedule but it will span over a longer time than most leagues.

Teams will have the option to take a "break" during the summer, when we will play our Senior and Tri-Level Divisions, since there is so much overlap between Senior and Super Senior teams.

Teams will have the option, (only if both captains agree,) to play their matches on dates other than the days on which we typically schedule matches. For example, many of the Weekday women want to play on a weekday other than Friday, because they have Friday teams going on in other USTA divisions. Captains, please let me know all about potential play dates/times for your team on your team information sheet.

Important Dates & Deadlines:

- Friday April 2 ~ Team Information Sheet Due, Team Online, Captain Registered
- Sunday, 18 ~ Schedules online (tentative date)
- April 23/24/25 ~ Season Starts
- November 14 ~ Season Ends
